Performance Evaluation of the Board, its Committee sand Individual Directors

Pursuant to applicable provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015; the Board, in consultation with its Nomination & Remuneration Committee, has formulated a framework containing, inter-alia, the criteria for performance evaluation of the entire Board of the Company, its Committees and Individual Directors, including Independent Directors.

A structured questionnaire has been prepared, covering various aspects of the functioning of the Board and its Committee, such as, adequacy of the constitution and composition of the Board and its Committees, matters addressed in the Board and Committee meetings, processes followed at the meeting, Board's focus, regulatory compliances and Corporate Governance, etc. Similarly, for evaluation of Individual Director's performance, the questionnaire covers various aspects like his/her

profile, contribution in Board and Committee meetings, execution and performance of specific duties, obligations, regulatory compliances and governance, etc.

Board members had submitted their response on a scale of 5(excellent) - 1 (poor) for evaluating the entire Board, respective Committees of which they are members and of their peer Board members, including Chairman of the Board.

The Independent Directors had met separately without the presence of Non-Independent Directors and the members of management and discussed, inter-alia, the performance of non-Independent Directors and Board as a whole and the performance of the Chairman of the Company after taking into consideration the views of executive and Non-Executive Directors.

The Nomination and Remuneration Committee has also carried out evaluation of every Director's performance. The performance evaluation of all the Independent Directors have been done by the entire Board, excluding the Director being evaluated. On the basis of performance evaluation done by the Board, it shall be determined whether to extend or continue their term of appointment, whenever the respective term expires. The Directors expressed their satisfaction with the evaluation process.

Cautionary Statement : This Management Discussion and Analysis Statements of Annual Report has been included in adherence to the spirit enunciated in the code of Corporate Governance approved by the Securities and Exchange Board of India, Statement in the Management Discussion and Analysis describing the Company's objectives, projections estimates expectation may be "Forward-Looking Statement" within the meaning of applicable securities laws and regulation. These statements are subject to certain risks and uncertainties. Actual result could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/supply and price conditions in the Government policies, economic development, political factors and such other factors beyond the control of the Company.

Economic Scenario

Global Economy : The calendar year 2021 was marked by focus on economic recovery through control over the spread and the impact of the COVID-19 virus. However, the expectation of global economic recovery is getting impacted due to global supply chain woes and high commodity prices resulting from the Russia-Ukraine war. Thus, FY 2022-23 continues to be a year when the world is likely to grapple with the socio-economic impact of mutated strains of the COVID-19 virus on one hand and geopolitical issues like that of the Russia-Ukraine crisis on the other.

Sharp rise in prices of commodities and increasing inflation have marred a scenario already hit by global supply chains facing pressure since more than two years. These have dented consumer sentiment globally.

As per the US Energy Information Administration, crude oil prices spiked 50% due to global demand outstripping supply as pandemic-related restrictions loosened in pace with progress in vaccination programmes the world over. The annual average of Brent prices for 2021 came to US\$71 per barrel – the highest in the past three years. The uncertainty over Ukraine-Russia war is set to fuel further price rise and volatility.

This price rise will have a domino effect on commodity prices such as food, metals, and raw materials used for manufacturing. The year is expected to witness inflation rates climbing globally, impacting consumer spending and cash flows.

Emerging Economics : The three top performing markets identified basis the performance of the MSCI Emerging Markets Index in 2021 were Czech Republic, United Arab Emirates, and Saudi Arabia while the bottom three included Turkey, China, and Peru. While the MSCI Emerging Markets Index lagged 24% behind the MSCI World Index, the inflation in emerging markets has

consistently raced ahead of that witnessed by the developed economies, pointing to systemic challenges and imbalanced global recovery. The ongoing war may accelerate these gaps, further affecting the pace of growth of emerging economies.

Indian Economy : India continues to be a bright spot with regard to economic growth. The Economic Survey of India (released on January 31, 2022), the World Bank, ADB and IMF all have a consensus of the Indian economy remaining the fastest growing major economy in the world during 2021-24. As per IMF's April 2022 World Economic Outlook, the Indian economy grew by an estimated 8.9% in FY 2021-22 as against a contraction of 6.6% in FY 2020-21. This is now the sixth straight quarter of growth and with this the economy recovered past the pre-pandemic levels during the year.

The growth was mainly due to the enthusiastic vaccination drive undertaken by the country, backed by its indigenous vaccine production. By May 2022, India had successfully vaccinated 88.9 Crore people, accounting for 64.4% of its population. This along with a milder third or Omicron wave of COVID-19 that started in December 2021 ensured lower caseloads, and thus resulting in improved market sentiments and higher economic activities. The growth also came on the back of a long festive season following a strong economic stimulus package 'Aatmanirbhar Bharat 3.0' announced by the Government back in November 2020 that sought to indirectly provide 6.3 Lacs Crore towards shoring up the economy.

According to the Economic Survey of India, the agriculture sector grew by 3.9 % in FY 2021-22, up from 3.6% during FY 2020-21; the industrial sector grew 11.8%, making a sharp rebound from a contraction of 7% during the previous year. The services sector too grew 8.2% in FY 2021-22 after contracting 8.4% in the previous year. India's Forex reserves stood at US\$ 634 billion as on December 31, 2021 equivalent to over 13 months of imports and higher than country's external debt. Investment too witnessed a strong growth of 15% in FY 2021-22.

The gross GST (Goods and Services Tax) revenue collection stood at Rs 1.38 trillion (US\$ 18.42 billion) in January 2022, 15% rise over that recorded in FY 2020-21. The rising core inflation, however, continues to fuel worries.

Crude oil prices began climbing up during the latter half of calendar year 2021. The trend continues as other macroeconomic factors persist, with the Ukraine-Russia conflict bringing more uncertainty and pressure into the mix since February 2022.

Outlook : With strong fundamentals and large domestic demand, the outlook for the Indian economy remains strong for the coming years. The Government's rapid

vaccination drive, investment in infrastructure creation and focus on improving ease of business are likely to provide necessary thrust. The economy is also likely to benefit with rising exports. As per the IMF forecasts as on June 2022, the Indian economy is estimated to grow 8.2% in FY 2022-23 lower than the earlier estimate of 9% due to implications of war and higher inflation. The growth projection for FY 2023-24 is lower at 6.9%.

In such scenario the average headline Consumer Price Index-Combined (CPI-C) inflation in India moderated to 5.2% in FY 2021-22 (April- December) as against 6.6% during the same period in FY 2020-21. While it remained within the tolerance band of 2-6% fixed by the Reserve Bank of India, it has largely persisted at the higher side of the range throughout FY 2021-22. However, core inflation crossed the 6.0% tolerance limit in February 2022.

Industry Scenario

Indian FMCG Sector : Fast moving consumer goods (FMCG) is the fourth-largest sector in the Indian economy. It is expected to increase at a CAGR of 14.9% to reach US \$ 220 billion by 2025, from US \$ 110 billion in 2020. Three main segments in this sector are namely Food & Beverages, which account for 19% of the share, Healthcare, which account for 31% of the share, and Household and Personal Care, which account for the remaining 50% share. Toiletries and household products are among the top five products sold. The sector also witnessed healthy FDI inflows of US\$ 18.59 billion from April 2020 to June 2021.

Despite Nationwide lockdowns The Indian FMCG industry grew by 16% in Calendar Year (CY), 2021 a 9 year high. According to Fitch Solutions, real household spending is projected to increase 9.1% Year over year in 2021, after De growth of 9.3% in 2020 due to economic impact of the pandemic. According to CRISIL Ratings the FMCG sector's revenue growth will double from 5-6% in Financial Year 2021 to 10-12% in Financial Year 2022. Price increases across product categories will offset the impact of rising raw material prices, along with volume growth and resurgence in demand for discretionary items, are driving growth. The domestic FMCG market has grown at 12.6% Year over Year in Q3 2021.

However, this growth may not represent the complete picture of the FMCG industry's performance during the year.

The FMCG sector has received good investments and support from the Government in the recent past. The sector witnessed healthy FDI inflows of US\$ 20.11 billion from April 2000-March 2022. Furthermore, as per the Union Budget 2022-23, Rs. 1,725 crore (US\$ 222.19 million) has been allocated to the Department of Consumer Affairs, Rs. 215,960 crore (US\$ 27.82 billion) has been allocated to the Department of Food and Public Distribution. In FY 2021-22, the government approved Production Linked Incentive Scheme for Food Processing

Industry (PLISFPI) with an outlay of Rs. 10,900 crore (US\$ 1.4 billion) to help Indian brands of food products in the international markets.

FMCG companies have tried to strike a balancing act between passing the risen input costs to the customer and reduction in pack sizes in order to protect margins, while at the same time trying to widen their reach through various channels of trade as direct to consumer and e-commerce have emerged strong contenders to the traditional channel.

The sector faced a sudden and sharp rise in input costs owing to the rise in prices of crude oil as well as palm oil, the raw materials for several products in the personal and household care categories. Prices of several items, particularly packaged foods, items for personal care and household rose anywhere between 4% and 25%.

The consumers may continue to feel the pinch in the current financial year as factors that caused the price rise are expected to persist during the calendar year 2022 at least.

With liberal FDI norms, the Indian FMCG sector has seen robust FDI inflows that has helped it to enhance capacities and reach within retail markets. Also, with supply chain issues faced in the aftermath of the COVID-19 pandemic, capital utilisation is being aimed at closing the supply chain gaps through manufacturing. Programmes like Make In India are further encouraging FMCG sector to reinvest in manufacturing and R&D.

India's FMCG sector has traditionally been urban dominated, with the segment accounting for nearly 65% of overall sales. In recent years though, the rural segment has been growing faster and is poised to grow to US\$ 220 billion by 2025. In FY 2021-22, the steep rise in prices which was more pronounced in rural areas saw the segment hit hard, resulting in decline in volume. However, with expectation of good monsoon and additional spending by Government in programmes like rural employment scheme, this market is poised for growth.

Sustainability is a growing area of concern for customers and an increasingly active area of action for FMCG players. While the trend is being led by FMCG players that are global leaders, several mid and small size companies have made sustainable FMCG products their core business and their niche to operate in. This is driving consumer consciousness as it has been established globally on an average 34% of population were willing to pay more for a sustainable brand. This number is higher among Gen Z and millennials at 39% and 42% respectively.

Outlook : Outlook for the industry continues to be positive in the long term on account of two key factors:

- i. Demographics: The Indian FMCG customer is increasingly young, has growing aspirations, is brand conscious, and is looking for trendy products.
- ii. Internet-driven growth: As internet penetration

PEE CEE COSMA SOPE LIMITED

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

continues to increase, it will bring more digital customers into the FMCG market.

A report by CRISIL expects the sector to post double-digit growth of ~12% during FY 2022-23, despite challenges in the near- to medium-term in the form

of unprecedented food inflation, persistent rise in commodity prices and freight charges, as well as uncertainty in the international markets.

Liquidity and Capital Resources : The Company expects Cash Flow from operations will be sufficient to meet the foreseeable business operating and recurring cash needs (including for debt services, capital expenditures, dividend, cost resulting from the Restructuring Program). The company believes to follow the program and generate the revenue with the best possible manner.

Opportunities & Threats : The opportunities for Soap and Detergent industries are due to rise in income of urban and rural population and the demand for detergent is growing steadily. Cost effectiveness and timely delivery schedule is boosting the export of production made by soap and detergent companies. Now-a-days due to availability of Big Bazars, Reliance fresh etc. the end users of production can direct approach through this retail chain. People become conscious about their health and hygiene especially after pandemic which increase the requirements of this industry. On the other hand the soap and detergent face threats from due to difficulty in keeping consumers loyal to Company's brand. Consumers are price sensitive and shift to other brand in view of promotional offers. Higher advertisement and promotional expenses are required for better brand building.

Product wise Performance : Presently the Company has been dealing in only one segment, i.e., Soap and Detergents. The details of the Soap and Detergents business segment is as follows::

Product	Sales			
	Current Year (2021-22)		Previous Year (2020-21)	
	Quantity (MT)	Value (Rs in Lacs)	Quantity (MT)	Value (Rs in Lacs)
Soap & Detergent	20734.00	9269.27	21514.00	8225.42

Key Financial Ratios:

Particular	FY	FY
	2021-22	2020-21
Debtor Turnover	50.49	57.95
Inventory Turnover	0.13	0.14
Interest Coverage Ratio	5.90	28.00
Current Ratio	1.20	2.39
Debt Equity Ratio	2.90	1.28
Operating Profit Margin	1.16	5.08
Net Profit Margin	1.81	5.75
Return on Net Worth	5.99	17.49

Risks & Concern : The Company is exposed to major risk and concern like higher raw material cost, internal cost, transportation cost and advertisement cost and increasing competition from multinational and domestic companies.

Human Resource / Industrial Relations

Management is keen on following the best practices for attracting, retaining and enhancing human resources of the Company. The company's Industrial relations continued to be harmonious during the year under review. The Company continue to invest in people through various initiatives which enable the work force to meet out the production requirements and challenges related thereto and to infuse positive enthusiasm towards the Organization.

Internal Control Systems and Adequacy : The Internal Control Systems and procedure are adequate and commensurate with the size of the Company. The company has implemented suitable controls on ongoing basis to assure that all resources are utilized optimally, financial transactions are reported with the accuracy and all applicable laws and regulations are strictly complied with.

The Company has a well-placed, proper and adequate IFC system which ensures that all assets are safeguarded and protected and that the transactions are authorised, recorded and reported correctly. The Company's IFC system also comprises due compliances with Company's policies and Standard Operating Procedures (SOP's) and audit and compliance by in-house Internal Audit Division, supplemented by internal audit checks from M/s Jay Pee & Associates, Chartered Accountants, the Internal Auditors and various transaction auditors. The Internal Auditors independently evaluate the adequacy of internal controls and concurrently audit the majority of the transactions in value terms. Independence of the audit and compliance is ensured by direct reporting of Internal Audit Division and Internal Auditors to the Audit Committee of the Board. During the year the Internal Auditors have also been engaged for providing assistance in improvising IFC framework (including preparation of Risk & Control Matrices for various processes) and deployment of Self Assessment Tool.

MDA is being one of very efficient way to provide meaningful and highly useful information to the investors. Any improvements in MDA and its presentation, format will lead to good Corporate Governance practice and a healthy relationship between companies and the investor-community.

PEE CEE COSMA SOPE LIMITED

INDEPENDENT AUDITOR'S REPORT

To

The Members of

Pee Cee Cosma Sope Limited

Report on the Financial Statements

Opinion : We have audited the accompanying Financial Statements of Pee Cee Cosma Sope Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended, and Notes to Financial Statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies Rules, 2015, as amended and accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022, and the profit (including other comprehensive income, changes in equity and its cash flows for the year then ended.

Basis for Opinion : We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters : Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon : The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this Auditor report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements : The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with

respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principal generally accepted in India including Ind AS specified under section 133 of Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements : Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Financial Statements by Management and Board of Directors.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

INDEPENDENT AUDITOR'S REPORT

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section

- 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - I. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 39 to the financial statements;
 - II. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - III. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - IV. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e), as provided under (a) and (b) above, contain any material misstatement.
 - V (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
 - (b) No interim dividend was declared or paid during the year by the Company.
 - (c) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.

ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(1) under the heading “Report on other Legal and Regulatory Require-ments” section of our report to the members of Pee Cee Cosma Sope Limited of even date)

- i.) In respect of the Company’s Property, Plant and Equipment and Intangible Assets:
- a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
(B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The Company has a program of physical verification of Property, Plant and Equipment and right-of-use assets so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) Based on our examination of the property tax receipts and lease agreement for land on which building is constructed, registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title in respect of self constructed buildings and title deeds of all other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) The management has conducted physical verification of inventory at reasonable intervals during the year, except for inventory lying with third parties and goods-in-transit. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed. In respect of inventory lying with third parties, these have substantially been confirmed by the third parties.
- (b) The Company has a working capital limit in excess of Rs.5 crore sanctioned by banks based on the security of current assets. The quarterly statements, in respect of the working capital limits have been filed by the Company with such banks and such statements are in agreement with the books of account of the Company for the respective periods, except for the following:

Name of the Bank	Working Capital Limit Sanctioned (Rs. In lakhs)	Nature of current assets offered as security	Quarter Ended	Amount disclosed as per return (Rs. In lakhs)	Amount as per books of accounts (Rs. In lakhs)	Difference (Rs. In lakhs)	Remarks/reason if any

- ix. (a) According to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us including confirmations received from banks and representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or other lender.
- (c) In our opinion and according to the information and explanations given to us, money raised by way of term loans were applied for the purposes for which these were obtained.
- (d) In our opinion and according to the information and explanations given to us, and on an overall examination of the financial statements of the Company, funds raised by the Company on short-term basis have not been utilised for long-term purposes.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in

ANNEXURE - A TO THE INDEPENDENT AUDITORS' REPORT

determining the nature, timing and extent of our audit procedures.

- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the

assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. (a) There are no unspent amounts towards Corporate Social Responsibility (CSR). Accordingly, reporting under clause 3(xx)(a) and (b) of the Order is not applicable for the year.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to the paragraph 2 (f) under “Report on other Legal and Regulatory Requirements” section of our report to the Members of Pee Cee Cosma Sope Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Pee Cee Cosma Sope Limited (“the Company”) as of 31st March 2022 in conjunction with our audit of financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls : The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility : Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is

sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting : A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial

statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting : Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion : In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

PEE CEE COSMA SOPE LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

Note-1 :

CORPORATE AND GENERAL INFORMATION : Pee Cee Cosma Sope Limited ("the Company") is domiciled and incorporated in India and its equity shares are listed at Bombay Stock Exchange(BSE). The registered office of the Company is situated at Padam Plaza, Hall No.H1-H2, First Floor, Plot No.5, Sector-16B,Awas Vikas Sikandra Yojna, Agra-282007 (U.P.). The Company is engaged in the business of Manufacturing of Laundry Soap, Detergent Powder and Cake operating in State of Uttar Pradesh, Rajasthan and Madhya Pradesh. The financial statements of the company for the year ended 31st March 2022 were approved and authorized for issue by board of directors in their meeting held on 25th day of May, 2022

STATEMENT OF COMPLIANCE : The financial statements are a general purpose financial statement which have been prepared in accordance with the Companies Act 2013, Indian Accounting Standards and complies with other requirements of the law.

BASIS OF PREPARATION : These financial statements have been prepared complying in all material respects as amended from time to time with the accounting standards notified under Section 133 of the Companies Act 2013, read with the Companies (Indian Accounting Standards) Rules 2015. The financial statements comply with IND AS notified by Ministry of Corporate Affairs ("MCA"). The preparation of the financial statements requires management to make estimates and assumptions. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years. The company's functional currency and presentation currency is Indian Rupees (INR). All amounts disclosed in the financial statements and notes are in lacs except otherwise indicated.

Classification of Assets and Liabilities into current and Non-Current : The Company presents its assets and liabilities in the Balance Sheet based on current/ non-current classification.

As asset is treated as current when it is :

- a) expected to be realised or intended to be sold or consumed in normal operating cycle;
- b) held primarily for the purpose of trading;
- c) expected to be realised within twelve months after the reporting period; or
- d) cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when :

- a) it is expected to be settled in normal operating cycle;
- b) it is held primarily for the purpose of trading;
- c) it is due to be settled within twelve months after the reporting period; or
- d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the company has ascertained its operating cycle being a period within twelve months for the purpose of current and non-current classification of assets and liabilities.

Significant Accounting Policies

(a) Basis of Measurement

The Financial Statements of the company are consistently prepared and presented under historical cost convention on an accrued basis in accordance with IND AS except for certain Financial Assets and Financial Liabilities that are measured at fair value.

The financial statements are presented in Indian Rupees ('INR'), which is the Company's functional and presentation currency and all amounts are rounded to the nearest Lacs (except otherwise indicated).

1. Property, plant and equipment

- (i) Freehold land is carried at historical cost. All other Property, plant and equipment are stated at their cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment loss, if any, and the company uses cost model as per Ind AS-16. The cost of Tangible assets comprises its purchase price,

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

borrowing cost, any other cost directly attributable to bringing the assets into present location and condition necessary for it to be capable of operating in the manner intended by the Management, initial estimation of any de-commissioning obligations and finance cost.

- (ii) **Depreciation** : Depreciation on Fixed Assets is provided on Written Down Value Method over their useful lives and in the manner specified in Schedule II of the Companies Act, 2013. Property, Plant & Equipment which are added/disposed off during the year the depreciation is provided on pro rata basis with reference to month of addition/deletion. Leasehold assets are amortised over the period of lease.
- (iii) **Component Accounting** : When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognizes the replaced part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the Statement of Profit and Loss as incurred. The present value of the expected cost for the decommissioning of the asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.
- (iv) Expenditure during construction/erection period is included under Capital Work-in-Progress and is allocated to the respective fixed assets on completion of construction/ erection.
- (v) Property, plant and equipment are eliminated from financial statement, either on disposal or when retired from active use. Losses arising in the case of retirement of Property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognized in Statement of Profit and Loss in the year of occurrence.
- (vi) The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.
- (vii) Capital work in progress includes cost of property, plant and equipment which are not ready for their intended use.

2. Intangible assets :

- (i) **Intangibles assets** are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably. Intangible Assets are stated at cost which includes any directly attributable expenditure on making the asset ready for its intended use. Intangible assets with finite useful lives are capitalized at cost and amortized on a straight-line basis over a period of 5 years.
- (ii) **Software:-** Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit and loss in the period in which the expenditure is incurred. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. Intangibles assets with indefinite useful lives (like goodwill, brands), if any are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite useful life is reviewed annually to determine whether indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite life is made on prospective basis.

3. Investment Properties :

Investment properties are properties held either to earn rental income or capital appreciation or for both but not for sale in the ordinary course of business, use in production or supply of goods or services or for other administrative purposes. Investment properties are initially measured at cost including transaction cost. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation or impairment loss if any. Depreciation on investment properties are provided over the estimated useful life and is not different than useful life as mentioned in schedule II of the Companies Act 2013. The investment property of the company consists of land/plot therefore not depreciated.

Investment properties are derecognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the assets is recognised in profit or loss in the period of

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

derecognised.

Though the company measures investment properties using cost based measurement, the fair value of investment properties is disclosed in the notes. Fair value are determined by using circle rates of the concerned registration authority.

4. Inventories :

Raw materials, Packing material, Stores and spares are valued at lower of cost (on a first in first out basis) and net realisable value.

Stock in process is valued at lower of cost (on a first in first out basis) and net realisable value.

Finished goods are valued at cost (on a first in first out basis) or net realisable value whichever is lower. Cost for this purpose include direct materials, direct labour utilities, variable direct costs and manufacturing overheads, based on the normal operating capacity and depreciation.

5. Cash and cash equivalents :

a) Cash and cash equivalents are financial assets. Cash and cash equivalents consist of cash and short-term highly liquid investments that are readily convertible to cash with original maturities of three months or less at the time of purchase and are carried at cost plus accrued interest.

For the purpose of the statement of Cash Flows, cash and cash equivalents consist of cash and short term deposits as defined above, net of outstanding bank overdrafts as they are considered as an integral part of the Company's cash management.

b) Cash Flow Statement : Cash Flow are reported using indirect method, whereby profit for the year is adjusted for effects of transactions of non cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing, and financing activities of the company are segregated.

c) Bank Balances Other than above : Dividend Escrow account balance, deposit with bank as margin money for guarantees issued by bank, deposits kept as security deposit for statutory authorities are accounted as bank balance other than cash and cash equivalent.

6. Financial instruments :

A financial instrument is any contract that at the same time gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments are recognized as soon as the company becomes a contracting party to the financial instrument. In cases where trade date and settlement date do not coincide, for non-derivative financial instruments the settlement date is used for initial recognition or derecognition, while for derivatives the trade date is used. Financial instruments stated as financial assets or financial liabilities are generally not offset; they are only offset when a legal right to set-off exists at that time and settlement on a net basis is intended.

7. Financial assets :

Financial assets include trade receivable, cash and cash equivalents, equity / debt instruments held. Initially all financial assets are recognised at amortised cost or fair value through Other Comprehensive Income or fair value through Statement of Profit or Loss, depending on its business model for those financial assets and their contractual cash flow characteristics. Subsequently, based on initial recognition/ classification, where assets are measured at fair value, gain and losses are either recognised entirely in the statement of profit and loss (i.e. fair value through profit or loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income).

(a) Trade receivables : Trade receivables are recognised initially at fair value and subsequently measured at amortized cost less credit loss/impairment allowances.

Receivables that do not bear interest or bear below market interest rates and have an expected term of more than one year are discounted with the discount subsequently amortized to interest income over the term of the receivable.

Impairment is made on the expected credit loss model, which are the present value of the cash deficits over the expected life of receivables. The estimated impairment losses are recognised in the Statement of Profit and Loss. Subsequent changes in assessment of impairment are recognized in the Statement of Profit and Loss as changes in estimates.

The company makes provision for expected credit loss against trade receivables based on the simplified

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

approach (i.e. the loss allowance is measured as the amount equal to lifetime expected credit losses).

(b) Loans & other financial assets : Loans and other financial assets are financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are recognized initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, loans and other financial assets are measured at amortized cost using the effective interest method, less any impairment losses.

8. Financial Liabilities :

Financial liabilities such as loans and borrowings and other payables are recognized initially on the trade date, which is the date that the Company becomes a party to the contractual terms of the instrument. Financial liabilities other than fair valued through profit and loss are recognized initially at fair value less any directly attributable transaction costs. Subsequent to initial recognition, these financial liabilities are measured at amortized cost using the effective interest method. Transaction costs of financial liability carried at fair value through profit or loss is expensed in profit or loss. The Company derecognizes a financial liability when its contractual obligations are settled or cancelled or expired.

Financial liabilities at fair value through profit or loss :

It include financial liabilities held for trading and are designated such at initial recognition. Financial liabilities are held for trading if they are incurred for the purpose of repurchasing in near term and also include Derivatives that are not part of an effective hedge accounting in accordance with INDAS 109 , classified as "held for trading" and carried at fair value through profit or loss. Financial liabilities at fair value through profit or loss are measured at each reporting date at fair value with all the changes recognized in the Statement of Profit and Loss.

Financial liabilities measured at amortised cost :

Post recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method ("EIR"). Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortisation is included in finance costs in the Statement of Profit and Loss.

Loans and Borrowings :

After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the effective interest method. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down.

Trade and other payables :

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. Trade accounts payable and other non-derivative financial liabilities are in general measured at amortized cost using the effective interest method. Finance charges, including premiums payable on redemption or settlement, are periodically accrued using the effective interest method and increase the liabilities' carrying amounts unless they have already been settled in the period in which they were incurred.

9. Impairment of non-financial assets :

At each reporting date, the company assesses whether there is any indication that a non-financial asset may be impaired. If any such indication exists, the recoverable amount of the non-financial asset is estimated in order to determine the extent of the impairment loss, if any. Recoverable amount is determined :

- In the case of an individual asset, at the higher of the Fair Value less cost to sell and the value in use; and
- In the case of cash generating unit (a group of assets that generates identified, independent cash flows) at the higher of cash generating unit's fair value less cost to sell and the value in use.

Where it is not possible to estimate the recoverable amount of an individual non-financial asset, the company estimates the recoverable amount of the smallest cash generating unit to which the non-financial asset belongs. The recoverable amount is the higher of an asset's or cash generating unit's fair value less costs of disposal and its value in use. If the recoverable amount of a non-financial asset or cash generating unit is estimated to be less than its carrying amount, the carrying amount of the non-financial asset or cash generating unit is reduced to its

PEE CEE COSMA SOPE LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

recoverable amount. Impairment losses are recognized immediately in the statement of Profit and Loss. Where an impairment loss subsequently reverses, the carrying amount of the non-financial asset or cash generating unit is increased to the revised estimate of its recoverable amount. However, this increased amount cannot exceed the carrying amount that would have been determined had no impairment loss been recognized for that non-financial asset or cash generating unit in prior periods. A reversal of an impairment loss is recognized immediately in the statement of Profit and Loss.

10. Revenue recognition :

The company derives revenue from sale of manufactured goods and traded goods. In accordance with Ind AS 115, the company recognises revenue from sale of products and services at a time when performance obligation is satisfied and upon transfer of control of promised products or services to customer in an amount that reflects the consideration the company expects to receive in exchange for their products or services. The company disaggregates the revenue based on nature of products/Geography.

Interest Income : For all Financial instruments measured at amortised cost, interest income is recorded using effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income on unsecured loans are accounted for on accrual basis.

11. Employees Benefits :

(a) Short term employee Benefit :

All employees' benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized during the period in which the employee renders related service.

(b) Defined Contribution Plan :

Contributions to the Employees' Provident Fund and Employee's State Insurance are recognized as Defined Contribution Plan and charged as expenses in the year in which the employees render the services.

(c) Defined Benefit Plan (Unfunded) :

The Leave Encashment and Gratuity are defined benefit plans. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method with actuarial valuations being carried out at each balance sheet date, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation. Re-measurements, comprising of actuarial gains and losses, excluding amounts included in net interest on the net defined benefit liability, are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not classified to the statement of profit and loss in subsequent periods. Past Service cost is recognised in the statement of profit and loss in the period of plan amendment. Net Interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Company recognises the following changes in the net defined benefit obligation under employee benefit expenses in the statement of profit and loss.

- Service costs comprising current service costs, gains and losses on curtailments and non-routine Settlements.
- Net interest income or expense.

(d) Long term Employee Benefit : Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the defined benefit obligation at the balance sheet date.

(e) Termination benefits : Termination benefits are recognised as an expense in the period in which they are incurred.

The Company shall recognise a liability and expense for termination benefits at the earlier of the following dates:

- (a) when the entity can no longer withdraw the offer of those benefits; and

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

(b) when the entity recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of termination benefits.

12. Borrowing costs :

(a) Borrowing costs that are specifically attributable to the acquisition, construction, or production of a qualifying asset are capitalised as a part of the cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

(b) For general borrowing used for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a capitalization rate to the expenditures on that asset. The capitalization rate is the weighted average of the borrowing costs applicable to the borrowings of the Company that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized during a period does not exceed the amount of borrowing cost incurred during that period.

(c) All other borrowing costs are recognised as expense in the period in which they are incurred.

13. Leases :

In accordance with IND AS 116, the Company recognizes right of use assets representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of right of use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payment made at or before commencement date less any lease incentive received plus any initial direct cost incurred and an estimate of cost to be incurred by lessee in dismantling and removing underlying asset or restoring the underlying asset or site on which it is located. The right of use asset is subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any, and adjusted for any remeasurement of lease liability. The right of use assets is depreciated using the straight line method from the commencement date over the shorter of lease term or useful life of right of use asset. The estimated useful lives of right of use assets are determined on the same basis as those of property, plant and equipment. Right of use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognized in statement of profit and loss. The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined, the Company uses incremental borrowing rate.

The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modification or to reflect revised-in-substance fixed lease payments, the company recognizes amount of remeasurement of lease liability due to modification as an adjustment to right of use assets and statement of profit and loss depending upon the nature of modification. Where the carrying amount of right of use assets is reduced to zero and there is further reduction in measurement of lease liability, the Company recognizes any remaining amount of the remeasurement in statement of profit and loss.

The Company has elected not to apply the requirements of IND AS 116 to short term leases of all assets that have a lease term of twelve month or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense over lease term.

14. Taxes on income :

Income Tax expenses comprise current tax expenses and the net change in the deferred tax asset or liabilities during the year. Current and Deferred tax are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity respectively.

Current Tax : The Company provides current tax based on the provisions of the Income Tax Act, 1961 applicable to the Company.

Deferred Tax : Deferred tax is recognised using the Balance Sheet approach. Deferred tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and

PEE CEE COSMA SOPE LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

liabilities and their carrying amount. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or liability is settled, based on tax rates (and tax laws) that have been enacted or substantially enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

15. Provisions, Contingent liabilities, Contingent assets and Commitments:

(a) **General** : The Company recognizes provisions for liabilities and probable losses that have been incurred when it has a present legal or constructive obligation as a result of past events and it is probable that the Company will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a financing cost.

Contingent liability is disclosed in the case of :

- A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation:
- A present obligation arising from past events, when no reliable estimate is possible:
- A possible obligation arising from past events, unless the probability of outflow of resources is remote.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

Contingent assets are not recognised but are disclosed in financial statement when an inflow of economic benefit is probable.

(b) Other Litigation claims :

Provision for litigation related obligation represents liabilities that are expected to materialise in respect of matters in appeal.

16. Exceptional Items :

On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the company is such that its disclosure improves the understanding of the performance of the company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

17. Earnings per share :

Basic Earnings per share is calculated by dividing the profit from continuing operations and total profit, both attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. In case there are any dilutive securities during the period presented, the impact of same is given to arrive at diluted earning per share.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

18. Segment accounting :

The company's business falls within a primary business segment viz ." Manufacturing of Laundry Soap,

PEE CEE COSMA SOPE LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

Detergent Powder and Cake, which is the only segment”.

19. Financial statement classification ;

Certain line items on the balance sheet and the statement of profit and loss have been combined. These items are disclosed separately in the notes to the financial statements. Certain reclassifications have been made to the prior year presentation to conform to that of the current year. In general the company classifies assets and liabilities as current when they are expected to be realised or settled with in twelve months after the balance sheet date

20. Fair value measurement :

The Company measures financial instruments such as derivatives and certain investments, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability.

Or

- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non- financial asset takes in to account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the balance sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

21. Use of judgements, estimates and assumptions :

The preparation of the company's financial statements required management to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosures of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment in the future periods in the carrying amount of assets or liabilities affected.

Estimation of uncertainty related to global health pandemic from COVID-19

The company has considered the possible effects that may result from pandemic related to COVID-19 on the carrying amount of financial assets including trade receivables. In developing the assumptions relating to the possible future uncertainties in global economic conditions because of the pandemic, the company as at the date of approval of these financial statements have used internal and external source of information, on the expected future performance of the company and based on estimates the company expects that the carrying amount of financial assets will be recovered and the company do not expect any significant impact of COVID-19 on the

PEE CEE COSMA SOPE LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022

company's financial statements as at the date of approval of these financial statements.

The following are the key assumptions concerning the future, and other other key sources of estimation uncertainty at the end of reporting period that may have significant risk of causing material adjustments to the carrying amounts of assets and liabilities with in :-

- a) **Useful life of property, plant and equipment and intangible assets:** The company has estimated useful life of the Property, Plant and Equipment as specified in Schedule II to Companies Act 2013. However, the actual useful life for individual equipments could turn out to be different, there could be technology changes, breakdown, unexpected failure leading to impairment or complete discard. Alternately, the equipment may continue to provide useful service well beyond the useful assumed.
- b) **Lease:** The Company evaluates if an arrangement qualifies to be a lease as per the requirements of IND AS 116. Identification of a lease requires significant judgement. The company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of lease, together with both periods covered by an option to extend the lease if the company is reasonably certain to exercise that option and periods covered by an option to terminate the lease if the company is reasonably certain not to exercise that option. In exercising whether the company is reasonably certain to exercise an option to extend a lease or to exercise an option to terminate the lease, it considers all relevant facts and circumstances that create an economic incentive for the company to exercise the option to extend the lease or to exercise the option to terminate the lease. The company revises lease term, if there is change in non-cancellable period of lease. The discount rate used is generally base on incremental borrowing rate.
- c) **Fair value measurement of financial instruments:** When the fair values of financial assets and financial liabilities cannot be measured based on quoted process in active market, the fair value is measured using valuation techniques including book value and discounted cash flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not possible, a degree of judgement is required in establishing fair values.
- d) **Impairment of financial and non-financial assets:** The impairment provisions for the financial assets are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the input for the impairment calculations, based on Company's past history, existing market conditions, technology, economic developments as well as forward looking estimates at the end of each reporting period.
- e) **Taxes:** Taxes have been paid / provided, exemptions availed, allowances considered etc. are based on the extent laws and the company's interpretation of the same based on the legal advice received wherever required. These could differ in the view taken by the authorities, clarifications issued subsequently by the government and court, amendments to statues by the government etc.
- f) **Defined benefit plans:** The cost of defined benefit plans and other post-employment benefits plans and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future.
- g) **Provisions:** The Company makes provisions for leave encashment and gratuity, based on report received from the independent actuary. These valuation reports use complex valuation models using not only the inputs provided by the Company but also various other economic variables. Considerable judgement is involved in the process.
- h) **Contingencies:** A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligations at the end of the reporting period. However, the actual liability could be considerably different.

3.7: Sensitivity Analysis: Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate and expected salary increase rate. Effect of change in mortality rate is negligible. Please note that the sensitivity analysis presented below may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumption would occur in isolation of one another as some of the assumptions may be correlated. The results of sensitivity analysis are given below::

Period	As at: 31.03.2022
Defined Benefit Obligation (Base)	1,08,01,328 @ Salary Increase Rate : 5%, and discount rate :7.00%
Liability with x% increase in Discount Rate	1,00,94,895; x=1.00% [Change (7)%]
Liability with x% decrease in Discount Rate	1,15,98,764; x=1.00% [Change 7%]
Liability with x% increase in Salary Growth Rate	1,16,06,839; x=1.00% [Change 7%]
Liability with x% decrease in Salary Growth Rate	1,00,75,856; x=1.00% [Change (7)%]
Liability with x% increase in Withdrawal Rate	1,08,59,903; x=1.00% [Change 1%]
Liability with x% decrease in Withdrawal Rate	1,07,33,077; x=1.00% [Change (1)%]

Note. The fair value of plan assets as at 31.03.2022 is more than the present value of obligation as at 31.03.2022, therefore no adjustment have been made in the Balance Sheet. Further the amount of premium of Rs. 8,35,074/- paid to LIC is debited to Statement of Profit and Loss.

Description of Risk Exposures: Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follow -

- A) Salary Increases- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
- B) Investment Risk – If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.
- C) Discount Rate : Reduction in discount rate in subsequent valuations can increase the plan's liability.
- D) Mortality & disability – Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
- E) Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

Leave encashment (Unfunded) : The valuation of Leave Encashment has been done on the basis of actuarial valuation on Projected Unit Credit (PUC) method and is provided in the financial statement and does not require disclosure as mentioned in Para 158 of IND AS 19. Provision of leave encashment as per actuarial is less than the liability provided in books of accounts, hence the management has made the provision for leave encashment on accrual basis.

Defined Contribution Plan :

Provident Fund - The company contributes Provident Fund (Employer as well as Employee Share) to Provident Fund Commissioner Aga (U.P) and Employers Contribution to such fund is charged to Statement of Profit and Loss. The Provident fund contribution charged to Statement of Profit and Loss for the the year ended 31.03.2022 amounted to Rs 8.35 Lacs

The company has specific policies for managing customer credit risk on an ongoing basis; These policies factor in the customer financial position, past experience and other customer specific factor.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the company. The Company makes provision for doubtful debt or write off when a debtor fails to make contractual payments greater than two years past due. When loans or receivables have either been provided for or written off, the company continues to engage in enforcement activity to attempt to recover the receivable due. When recoveries are made, these are recognised in the Statement of Profit and Loss. The company has low credit risk in respect to cash and cash equivalent, other bank balances, other financial assets, trade receivables and security deposits paid.

(ii) **Liquidity Risk :** Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and liquidity requirements. The Company closely monitors its liquidity position and maintains adequate source of financing through the use of short-term bank deposits, demand loans and cash credit facility. Processes and policies related to such risks are overseen by senior management. The company have adequate liquidity and considers liquidity risk as low risk.

(iii) **Capital Risk Management:** The company capital risk management objective is to ensure that all times its remains a going concern and safeguards the interest of the shareholders and other stakeholders. The company monitors capital on the basis of carrying amount of equity plus its subordinated loan, less cash and other cash equivalents as presented on the face of the statement of financial position and cash flow hedges recognised in other comprehensive income.

The company manages its capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.
